

## Lost Bridge

### Owner

NDDOT

### Location

Hwy 22 18 miles North of Killdeer, ND

### Contract Value

\$21,595,299.42

### Company Role

Prime Contractor

### Project Description

This large NDDOT project consisted of over 2,000,000 cy of excavation, cement stabilized sub grade, salvage base, super pave, structure, signage, guardrail, fencing and miscellaneous work on 7.5 miles of Hwy 22 north of Killdeer, ND. Project manager Chris Audiss and Superintendent Mike Schriener led the crews in facing many challenges to the project, including two major slides during construction and weather delays in the short North Dakota work season.
