NDDOT

Location

ND 22 from JCT ND 73 to JCT ND 23 & ND 73 at RP 8

Contract Value

\$33,068,766.63

Company Role

Prime Contractor

Project Description

On May 8, 2012, the North Dakota Department of Transportation awarded the McKenzie County project to Oftedal Construction, Inc. Bid items included over 950,000 cy of unclassified excavation, and over 180,000 cy topsoil handling. The project consisted of widening, mine & blend, select regrade, HBP, slide repair & incidentals. Project Manager Cam Lundby and Superintendent Scott Parrish were challenged by a very rainy early spring season, as well as a tight schedule. The project had no lost time accidents for the 2012 season.
